

# How Does a SUNRNR Work?

Want to take advantage of solar energy, but don't understand how it works? Solar energy saves both the environment and your wallet for a feel-good fuel source.

## Generate

The sun generates solar rays.

STEP  
01

STEP  
02

## Collect

Solar rays are collected by the double solar panels .

## Store

Solar energy is stored for use in the solar generator.

STEP  
03

STEP  
04

## Use

Use the solar energy to power anything from fridges to fans.

## Renew

Save money with energy that naturally replenishes itself.
